The Fourth Prophetic Word

In the 6th edition of Seer Monthly, I shared a prophetic experience which I had on the 23rd of May, 2015. In that bulletin, I related how I was told of four things on which Heaven was placing emphasis, I woke up remembering 3 of these things but forgot the fourth one. For some time now, I have been seeking the Lord to bring to my remembrance the fourth thing. Last night (20/10/15) while praying, the Spirit of the Lord revealed to me that the fourth thing is 'The Government of God'. The Apostolic dimension of Christ would be revealed and manifested with great power and authority in this season.

Matt. 22:44, Ps. 110:1-7 and Isaiah 9:7 will be emphasised in this season. Isaiah 9:6 says that the government shall be upon his shoulders and verse 7 says that of the increase of his government and peace there shall be no end. Words such as lordship, rule, dominion, governance would also be emphasised.

The Hebrew word for government in the verse is 'misrah', meaning 'rule or dominion'. The administration of Christ and his dominion mandate is being fulfilled. Christ is manifesting himself to us as our judge, law-giver and king (Isa. 33:22), the kingdoms of the world is becoming the kingdom of our God and His Christ. As he Lords it over us and takes more territories in us, the frontiers of the Kingdom would be expanded through us

The Season Of Open Heavens

Earlier this year, God began speaking to me that the Church has entered a season of Open heavens and the appearances of God. This season would be characterised by many divine visitations from the throne and the unveiling of the power to restore all things which are to open up new dimensions of grace, light and possibilities to this generation. This season would feature some Angelic activity that would assist a new ministry order in the process of restoration. God told me of 3 types of Angelic manifestation:

1. The Measurers: They bring the revelation of accuracy in building, accuracy in measures, balance and order.
2. The Sealers: These angels bring divine approval after the measurers are through, they bring the rewards of obedience, faithfulness to God, they bring rewards of His presence, His love, His hand (Favour, provisions, etc).
3. Judger's or the ax: These are very fearful; I saw one in the spirit and his hands were designed in the form of very sharp axes. They bring the revelation of judging false positions, natures, mentality/strongholds, doctrinal errors etc.

The number 44 has become a key figure and symbol to me for a while now and that is because the church has entered into the phase of a great release into the powers of the throne. This season is revealing to the church the 4 faces of the throne which are the 4 faces of God. These faces would be stronger in the church, from this year and beyond.

- I. Lion: Governmental authority over realms and territories.
- II. Eagle: The new wave of the Prophetic; Unfettered access to the seer realm and heavenly courts. Recently I had many visions of eagles soaring. It is the year of the eagles.

III . Ox: Power to accomplish divine purposes and mandates.

IV . Man: A deeper revelation of Love and covenant of life.

Simultaneously, the earth would come under greater judgment because of the activity of the 4 riders (deception, wars, famine, and Death). These are necessary to prepare the nations for the Gospel of the Kingdom and the Harvest of souls into Gods kingdom. I saw a scale of judgment hanging over Europe. I perceive that another wave of economic judgment is fast approaching; this I believe would prepare the way for a mighty move of the Spirit to hit European nations very soon, one that can be compared to those in the 15th to the 18th century.

Prophetic Themes For the Seasons

Early last month, the Lord flashed into my heart a revelation of the lordship of Jesus. So powerful was this revelation, and so enthralled was I at the prospect of His lordship that I was impelled to search out a little more on this topic. I remembered that the prophetess Fanny had written a book on the lordship of Jesus (it was published in 2006 by FreedomHouse Publishers), so I went to search out an old copy and read the book through.

That revelation was given at a time when my family was trying to move houses. The house we were interested in was somewhat lordly, and judging from how much it would cost us and other conditions surrounding the house I knew it would take a manifestation of Jesus' lordship i.e. of the fact that He had absolute control over every piece of real estate, and even over the owners themselves, for us to get this property. There was immediately born in my lips a prayer to see His lordship demonstrated on this small issue. I told Him the house would be called "Lord's". Well, we got this house amidst dramatic circumstances in which the Lord Jesus stretched out His hands and clearly showed that He is Lord over all.

The prophetic order of Jesus, which is the order of witness, is being ordained in this season. As folks come into greater development in the prophetic stature of their spirits they would begin to receive empowerment to be prophetic not merely in their utterances but in the ability and commissioning to accurately represent Heaven here on earth. Thus, as Mary had the words given to her made flesh through the action of the Holy Spirit, and became responsible for birthing heaven's Star here on earth, so would this virgin church be granted to ferry heaven's culture, reality, life and order into the earth. Amen.

The number 22 and 44 continue to be significant numbers in this season. 22 being the number of witness, 2 witnesses etc.

'THE CONVERGENCE'

December 2-5, 2015, Abuja, Nigeria

Did I mention that CentrePort meets at Plot 55, Suite 22, POWA (power) plaza? Or that we held our first meeting in that place on the 22nd of June, (i.e.22/6)? Well our new house, "Lord's", is also house number 226 and we moved in on 1st October the day Nigeria celebrated 55 years of independence. Coincidence?

The Lord used this number, 226, to speak to me about three months back when I went to minister in Ekiti state university. On the second night of my meeting heaven invaded us in strong manifestations of the Spirit through prophecy, tongues and interpretation. A sense of discernment came over me as I perceived massive angelic activities, involving high ranking spirits and books of territories, courts of heaven, God's throne and ancient mandates. I prophesied under the prophetic unction present on me and was informed through the discerning of spirits at work through sensing, but I wished I had been granted a more vivid optical revelation. When I got back to my hotel room that night, I asked the Lord to give me greater insight into what really happened in that meeting. I also wanted some measure of confirmation. I expected the Lord to speak to me through dreams that night but He did not. When I woke up, I was a little disappointed that the Lord did not speak, but just then the Holy Spirit said to me, "Go to Rev.22:6". I obeyed and picked up my bible to read; here is what it says: "Then he said to me, "These words are faithful and true. And the Lord God of the holy prophets sent His angel to show His servants the things which must shortly take place."

Among everything that the number 44 represents, it also is twice 22, i.e. 22+22. Isaiah 22:22 says, "The key of the house of David I will lay on his shoulder; So he shall open, and no one shall shut; And he shall shut, and no one shall open." The key represents a dimension of spiritual authority, corresponding to governmental influence. "And the government shall be upon His shoulders".

In other spiritual experiences the Lord has brought the issue of apostolic government and the outbreak of the Kingdom order before me.

The Lord is also releasing a fresh measure of strength, might, power to His people in this season. The present order of the earth is laid out in strength and would remain in peace until a stronger administration comes against it. The advancing church must be strong, must be unrelenting, and must prevail to bring in heaven's order to the different spheres the Lord has allotted us.

Lk. 11:22 But when a stronger than he shall come upon him, and overcome him, he taketh from him all his armour wherein he trusted, and divideth his spoils. (KJV).
