From the Publisher's Desk

Welcome to Seer Monthly Special Edition. With our annual prophetic kingdom conference, Voice to the Churches, only days away our greatest quest immediately has been to receive clear words from God in relation to the coming year and especially the current spiritual season in which we find ourselves. Certain words have been buzzing in the prophetic sphere, among them the following: "As in the days of Noah", "emergence", "Justice", and "Judgement", but it is this one, "Defiance", that the Lord has amplified to us in a unique way. Get blessed as you read, and plan to attend the conference. You know you can partner with us both by praying for this meeting as well as by giving towards it. Shalom.

IT IS TIME TO DEFY!

I was travelling from Delta state to Ibadan several weeks back when the hand of the Lord came upon me presently in a strong way. The word "Grace" began welling up in my heart. I found myself reciting, "The grace of our Lord Jesus Christ..."over and over through the journey. Early the next morning, I asked the Lord to show me this grace that has been on my mind since the previous day. And as soon as I asked, there stood a man before me in the living room; he seemed to be a warrior and was attired in complete armour. His armour looked well-worn, I could even see dents in it but it was well polished.

The angel said, "I am Grace".

He said to me, "I AM GRACE". I was stunned. I had never before associated grace with force, might or power. I knew grace to be unmerited favour. As I wondered he took me by the hand and at once we were on top of a massive castle-

like building, somewhat like a medieval fortress. As we walked along, I saw a whole lot of other beings dressed exactly as he was. There were all sorts of activities taking place there, they seemed very busy. This angel broke the silence, and asked why I was surprised to see him dressed as he was. He said God's word portrays him in this way. He said that effort requires force, power or might. He also said that what my effort is to me, grace is to God. He said: "Mercy, you are equipped with the most powerful force..." He further said: "The difference between you and the opposition is CAPACITY. I am your capacity..." He talked about this for a while and then said: "The FAVOR or BLESSINGS bestowed upon the Body of Christ is STRATEGIC". Also, that whatever gifts (or graces) have been given is for NOW.

Then he said: "IT IS TIME TO DEFY... TO DEFY NATURE as you have known it and TO DEFY GRAVITY". He showed me some people levitating above the ground and said to me: "Those who ALIGN with GRACE DEFY GRAVITY. THEY RISE ABOVE NATURE literally..." The angel further said: "IT IS TIME TO STAND... It is time for UNUSUAL UNDERSTANDING, INSIGHT... Look at 2 Cor. 12:9, even in your weakest form you are more powerful than anything from the opposition because of me." As he was about to leave this angel said, "IT IS TIME TO DEFY!"

You have no idea the excitement I felt when about two weeks later, I saw that the theme of this year's Voice to the Churches is DEFIANCE.

DEFIANCE IS A BREW

On September 27, 2016, I had a prophetic experience in which I perceived the presence of an angel. While in prayer I began saying, "Jibril or Gabriel (I would later learn that it was angel Gabriel); STRENGTH is come, strength to give your all! There is strength to lay it, all and let it go!

"We have waited long, waited for this generation to dare to lay down their lives on the line. Such men are rising, men who will give their all without a second thought.

Paul (the apostle) will come to you; Paul must come to you, to minister strength to you. Paul will come to impart you.

There are brews in the spirit; there is a brew called 'DEFIANCE'. There is a brew that must be delivered to you. Pray for the delivery of this portion."

RAISE YOUR EXPECTATIONS

Oct.25, 2016 7.30pm

We were praying for Voice to the Churches today. Suddenly a flash of light HIT me and I shouted "Michael! Michael!!" I saw brilliance, light. Eyes full of light. I saw a being wearing a crown, full of light.

He said, "Wisdom is come to you. Strength is come to you." He said: "There is a contention over this house (CentrePort), but you have a part to play. You must stand steadfast. (The verse about resisting the enemy steadfast in the faith 1 Pet. 5:9 came to mind). He said: "Be resilient, lay on to these words, contend for it.

"I will be at DEFIANCE. There will be an impartation of spirits, a baptism of sight, and strength to break out. Raise your expectations for this meeting. It will be an encounter with Heaven, there will be an immersion."

DEFIANCE IS NOT A MEETING

November 2, 2016 7.02pm

We were having prayers for Defiance today. At some point the atmosphere changed and became thick with presence. The Holy Ghost told me, "Saints are here" (referring to the spirits of Just Men).

I heard: "An initiation for consecration is going on. Grace for separation unto God. A RADICAL SEPARATION unlike before. Heaven will fall on many like a weight. They will carry the consecration and separation of heaven. It is here. It is happening before your eyes. It is happening."

While I was thinking about these words, and trying to link it with the words that have come before now, I felt a 'touch'. It was an angel. I was stirred up in the spirit and fell to the ground. I saw an angelic presence; his face was shrouded in light.

He said, "These words are true. Heaven is about to be poured out (I saw two beings holding a sheet, like a 'sheet of heaven')."

Then the angel said: "This is not a meeting (referring to DEFIANCE). IT IS A HIJACK. God is stepping in and re-ordering men. Many will be stopped and re-ordered. Many will be intercepted. Stay in prayer. Contend for these words. Contend for it. It is happening."

DONALD TRUMP IS A SIGN

I wasn't praying about Voice to the Churches in May when the Lord impressed upon my spirit the theme 'Defiance'. I simply wrote it in my diary and forgot all about it. In the month of August I was at a Believers' convention in Lagos when I was inspired to seek God one night about the word of the Lord for the coming year and spiritual season. I was awakened out of my sleep that night into an experience in which the Lord brought assurance to me concerning what He had spoken to me in May - Defiance.

At once, I picked up my phone and googled the word 'defiance'. Afterwards, I went to Google images to seek for a graphic that would illustrate this concept. As I was scrolling down, a picture of Donald Trump appeared somewhere on the browser. As soon as my eyes fell on the pout on his lips, I thought I saw DEFIANCE written all over him. It was stunning.

For a moment, while I considered how he had advanced up till this time, through the primaries. No one gave him a chance and yet he had continued to advance. I shared this with my wife and several other people. I felt the Lord had raised Trump as a sign, as a parable. He has a message for the world but he presents a

separate message to God's people.

One CNN panelist described Trump's win as a political earthquake.

Trump's message to the church is defiance. You would be amazed how this word is linked to him. Times magazine has a publication titled, "The shortlist, DONALD TRUMP". It was written by Michael Scherer. In that article Mike has a paragraph that reads: "Most also mention Trump's defiance, that lack of concern for what others have said is acceptable. 'He doesn't care who he pisses off,' one supporter explains, 'he says what everyone wants to say, but are afraid to say', says another.

"Defiant Trump stares down threat" is how Kathryn Blackhurst titled her Nov.5 article in PoliZette.

"Doggedness and Defiance: How Trump won" is how Fox News' Howard Kurtz titled his November 9 online publication. "It was that compulsion to repeatedly blow past the stop signs erected by his strategists that one confidant described as a condition "DEFIANCE DISORDER" writes Kurtz.

It seems everyone can see it. The message is clear. God's message to the world through the Trump sign is that God rules in the affairs of men, and that his word is stronger than any human conspiracy. God's word to His church through the Trump sign is: "Defiance is the next accurate spiritual posture; defiance is the next correct response to the present condition of things on earth; and defiance is the way ahead."

Trump defies five living U.S. presidents; he defies the media establishment; he defies the elite class, he defies Wall Street; he defies the black president, his wife and the forces of incumbency; he defies political correctness; he defies the leaders of his own party; he defies experienced Hillary along with all the Hip Hop stars she brought to help her against one whose right hand God had held.

I said to my wife in the early days, "If Trump is defying all the rules and still getting ahead, that means he got to be in touch with something that is supporting his cause."

We would talk some more about that which Trump is in alignment with at some point, I believe, at the Defiance. Plan to be there.

JUSTICE SYSTEM OF HEAVEN

For about a month or two now the Lord has been talking to me about the Justice system. He's shown me that the two strong pillars of the Justice system of heaven are righteousness and truth!

He explained further that the systems of this world have held men in bondage, so that our allegiance is to this system. He illustrated that truth has become scarce, and righteousness a thing of the past; righteousness and truth have become wishes in the hearts of men that not one is able to rise up and uphold. Everyman says something isn't fair but aren't able to find the strength to rise up against it for fear of man... We have forgotten God's covenant with us in psalms 91 and how God justified it with Elisha in 2Kings 6: 15-18, how He caused confusion in the camp of

the enemy in 1sam 14: 19-22, 2chron 20: 22-24... And how He fought Israel's battle in Joshua 10: 8-14... Rather, every man seeks what seems fair for himself, and have forgotten God.

Defiance is an activity of the Spirit, an operation of the Holy Spirit that would restore to our hearts true allegiance, which is allegiance to the Lord and honouring and upholding the covenant of the faith of the son of God...

Defiance is an operation of the spirit intent upon unleashing sons who can stand at the gate and raise the banner of Justice and truth of the Kingdom even unto death.

Defiance is an operation that unleashes sons whose faces have been made strong and whose heads have been fortified against the faces and heads of the princes of this world. (Ezekiel 3: 8-9, Isa 8: 12-13).

The Lord says that the realms of Truth and Righteousness are open; there are high ranking spirits corresponding to these, whose operation is to mature, as well as change our wine skin and modes of operation.

They are here right now and seek men to work with.

I perceive strongly that there would be a lot of impartation of grace for us to start doing things we've had difficulty doing in times past. I also see ordinations into new offices and spiritual functionality. Some people will be functional chiefly within natural spheres while others will have strictly spiritual thrones and operations; hidden from the eyes of the world.

On the 12th of October I had an experience where I was invited to a court session in Mount Zion. At the end of that meeting, the outcome was that the Lord is appointing and inducting some people into the judicial system of heaven. Some of them I knew among my peers, but others I didn't. He said that they would legislate; they would be law-givers on earth. They will have the capacity to make laws after the order of the Throne and effect them here on earth. He said He is raising men in the Legislature, Judiciary and Executive; a

complete Government.

For a while now, He's been asking me where are the Daniels? Or sometimes it just pops out of my mouth. Lately, he's been saying: these are the days of Daniel, and the seeds and manifestations of Daniel will go forth; a people who understand times, seasons, codes, symbols and the language of the Spirit and who are strong, bold and resolute to stand against the order of this world. Some will function in public political seats and other related forms, but for others, it would be a spiritual function hid from the physical eyes of the world (people will not know them).
